Beginning in 1917 - Melvin Jones, a 38-year-old Chicago business leader, asked a simple and world-changing question – what if people put their talents to work improving their communities? Almost 100 years later, Lions Clubs International is the world's largest service club organization, with 1.4 million members in more than 46,000 clubs and countless stories of Lions acting on the same simple idea: let’s improve our communities.

1920: Going International - Just three years after our founding, Lions became international when we established the first club in Canada. Mexico followed in 1927. In the 1950s and 1960s international growth accelerated, with new clubs in Europe, Asia and Africa.

1925: Eradicating Blindness - Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become "knights of the blind in the crusade against darkness.” Since then, we have worked tirelessly to aid the blind and visually impaired.

1945: Uniting Nations - The ideal of an international organization is exemplified by our enduring relationship with the United Nations. We were one of the first nongovernmental organizations invited to assist in the drafting of the United Nations Charter and have supported the work of the UN ever since.

1957: Organizing Youth Programs - In the late 1950s, we created the Leo Program to provide the youth of the world with an opportunity for personal development through volunteering. There are approximately 144,000 Leos and 5,700 Leo clubs in more than 140 countries worldwide.

1968: Establishing Our Foundation - Lions Clubs International Foundation assists Lions with global and large-scale local humanitarian projects. Through our Foundation, Lions meet the needs of their local and global communities.

1990: Launching SightFirst - Through SightFirst, Lions are restoring sight and preventing blindness on a global scale. Launched in 1990, Lions have raised more than $346 million for this initiative. SightFirst targets the major causes of blindness: cataract, trachoma, river blindness, childhood blindness, diabetic retinopathy and glaucoma.

Today: Extending Our Reach - Lions Clubs International extends our mission of service every day – in local communities, in all corners of the globe. The needs are great and our services broad, including sight, health, youth, elderly, the environment and disaster relief. Our international network has grown to include 210 countries and geographic areas.

DISTRICT GOVERNOR

Linda Carr and Lion Wayne Carr

To the Lions of District 33Y:

“You can do what I cannot do. I can do what you cannot do. Together we can do GREAT things!” Mother Teresa

Together we CAN do great things. I am looking forward to not only a great year but a year that will inspire all the districts around. And with your help this can be done.

My first goal is to bring infant eyecare surgery to Western Massachusetts. Currently, if infant eye surgery is needed, the family has to find a way to get to a hospital in Boston. This is not only a hardship on the family, but sometimes impossible – and then the child’s eyesight is in jeopardy. With the help of my 1st Vice District Governor, Sharyn Wentworth, and our Past Cabinet Secretary/Treasurer Claudette Plazcek we are already making strides toward bringing doctors out here.

Included in my other goals are:

“Communication throughout the District” – I want every Lion to know what is happening district wide and state wide. I have asked that any Lion that wishes to be on my email list please contact me for all future mailings and notices.

As always “Membership” – Western Massachusetts is an awesome place to live. There are so many great people here that would like to become a part of a service organization but don’t know about Lions. We have to get out there and let them know about us!!

We are entering our 100th year of Lionism. We have climbed to the top of our 100-year journey and now see NEW mountains to climb. Let’s conquer those mountains and keep moving forward.

Yours in Service,
District Governor Linda Carr
Greetings to all in District 33Y,

Thank you for allowing me to serve you. I look forward to working with you. DG Linda’s motto is Lions Shine the Light for Sight. One of DG Linda’s goals is to promote pediatric eye care. I look forward to helping her with that goal as well as with her others. As many of you know, we have been screening eyes with the Spot instrument based vision screener for the last couple of years. In 2015-2016, we screened 2,645 people of which 1,296 were 6 months to 6 years. A complete eye exam was recommended for about 10% of those screened. Let’s exceed these numbers and serve more this year. Please help promote this program by telling people about it. We would be happy to talk with you and your club about Spot.

International President Bob Corlew’s slogan is New Mountains to Climb. As we get closer to the 100th anniversary, let’s climb them. As we climb, looking for ways to serve our communities; let’s invite others to join us in this adventure. Membership is always a goal. We need to retain our members and invite new to join us.

If I can help you and your club, please contact me.

Yours in Lionism,

Sharyn
Fellow Lions:

I am looking forward to serving you as the VDG2 for the upcoming lions year. I have been with the Pelham Lions Club for over 34 years. While I have seen many changes over the years., I am looking forward for the new ideas and challenges in the coming years. If you have any ideas, please contact me.

Yours in Lionism,

VDG2 Stephan J. Karch
Greetings to everyone in District 33Y,

I hope everyone is having a relaxing summer. Time seems to be flying by with learning my responsibilities and activities as CST. I am very thankful to PCST Susie Nadorff for sharing all of her collectibles from her year of serving as CST. I appreciate the support and guidance.

I am very excited for the upcoming year. I look forward to meeting you and learning about the clubs in District 33Y. I am especially honored to be serving with District Governor Linda Carr. DG Linda is dedicated to accomplishing her goals for the upcoming year and serving her fellow Lions with enthusiasm, honor and dedication. I will work hard assisting her and fellow Lions to make sure we have a successful year.

Thank you for your faith and confidence,

CST Robin Solek
Centennial Service Challenge Message

Dear Lions,

For 100 years Lions have answered the call to serve those who need us most. We have made it our mission to reach out to the poor and underserved, to promote peace and understanding, and to bring help and hope to humanity.

As we approach our Centennial in 2017, we have so much to celebrate. This once-in-a-lifetime event commemorates not just our association, but every Lion and club who has made a difference in the world. No matter where you are, there’s an opportunity for each and every Lion to join the celebration.

This year, I encourage you to continue strengthening your communities by helping us achieve our Centennial Service Challenge goal of serving 100+ million people. I invite you to celebrate our Lions legacy by planning a Centennial Legacy Project in your community. And I’m asking you to take our clubs and association to new heights by chartering new clubs and inviting family, friends and neighbors to join us in service.

As members of the world’s largest service club organization, we change lives. We serve because the world needs us now more than ever. And we can achieve so much more when we work together. I hope you’ll join me as we celebrate our storied history of service, look toward our second century of service and show the world that wherever there’s a need, there’s a Lion.

Very truly yours,

Chancellor Bob Corlew
LIONS CODE OF ETHICS

**TO SHOW MY FAITH** in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK SUCCESS** and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**WHenever a Doubt Arises** as to the right of ethics of my position or action toward my fellow man, to resolve such doubt against myself.

**TO HOLD FRIENDSHIP** as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**ALWAYS TO BEAR IN MIND** my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

**TO AID** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE CAREFUL** with my criticism and liberal with my praise; to build up and not destroy.

"33 For 50"

Lions Club International Foundation is the humanitarian arm of Lions Clubs International and is often the first “boots on the ground” during disasters and emergencies around the world.

LCIF will turn 50 in 2018, and to celebrate this upcoming anniversary, the 5 District Governors of MD33 for 2016-17, will be celebrating LCIF’s achievements by embarking on the first ever state-wide and multiple district-wide fundraiser encompassing all clubs in Massachusetts.

“33 For 50” is our Multiple District 33 celebrating 3 LCIF milestones:

- LCIF is turning 50
- LCIF estimates that each Lion personally touches the lives of 50 people per year
- It was the discovery and invention of a 50 cent part that drastically mitigated the lives of premature infants who were going blind due to oxygenation in incubators in the 1950’s and 60’s, it was after this revelation that LCIF was born. This effort began right here in Massachusetts

So, how do clubs participate?

We are asking every club to donate, in the form of NEW funds raised, the equivalent of 50 cents per member for each meeting in 2016-17, totaling 10 meetings in all.

For example, a club of 50 members, would find a way to raise $25 per meeting, or, $250 for the year for this campaign. Clubs can do this by initiating a separate raffle, 50/50 or having the tail twister come up with fun ways to raise the funds, so that each club can meet its goal.

Another option is to have one extra basket or one extra raffle at a pancake breakfast and raise the entire amount at one event. Based on the above example club, that would be $250.

Each club will account for these funds as LCIF funds, and the good news is that thanks to IP/IP Joe Preston, these funds will count towards a Melvin Jones Fellowship.

For accounting purposes, the funds raised for “33 For 50” will be separately donated by each club at advisories or midwinter conferences as LCIF 33 For 50 donations.

If we achieve our goal, Massachusetts will be the first in the world to conduct such a fundraiser and we will donate over $36,000!

Let’s all put Massachusetts on the map by making this incredible effort a huge success...and let’s have some fun while doing it!

In 1999, during his year as District Governor, Arthur “Art” Thomas sparked the idea and named Lions Clubs members of District 33Y to study the needs for a District EyeMobile. The other four districts comprising the Multiple District 33 of Massachusetts had purchased and were operating a mobile vision and hearing unit, mostly called “eyemobiles.” District Governors Thomas Kowal and William Rathbun continued to encourage the district to consider purchasing an EyeMobile, naming then Vice District Governor Pamela Hodgkins and PDG Art Thomas as Co-Chairpersons of the Committee.

In 2001, District Governor Pam Hodgkins made the formal proposal to the voting cabinet and the new project to purchase an EyeMobile was adopted. During 2002, DG Pam and PDG Art held committee meetings and collated the data from their research across the state, and in April 2003, during District Governor Jean Martin’s term, Officers and Directors for the EyeMobile were voted into office.

The corporation was formed as the Massachusetts Lions District 33Y EyeMobile, Inc., and received its 501(c)3 tax exempt status. During District Governor James Gracia’s term of office, the corporation was officially registered by the Commonwealth of Massachusetts. In 2005, District 33Y received a matching grant of $75,000 from LCIF. In 2007, the first use of the EyeMobile for screening was done at the Dalton American Legion.

The corporation is now fully operational with an administration dedicated to the EyeMobile’s cause. The MD33Y EyeMobile continues to be seen all over District 33Y providing a valuable service to those in need. A recent award is currently being given by District 33Y in the name of Valia Zewski.

DISTRICT 33Y EMERGENCY SIGHT & HEARING TREATMENT FUND HISTORY

In 1973 this Foundation was started by then District Governor Charles DeAngelus. The purpose was to help low income people living within District 33Y obtain eyeglasses, hearing aids, or aid in helping with sight or hearing problems that any Club within the District could not financially afford. All money donated to the foundation, with the exception of postage and/or paper supplies, is used in District 33Y to help people who are applying to the fund for assistance.

Since its inception, the Emergency Sight & Hearing Treatment Fund has handled over 1,500 cases and has awarded more than $500,000 in aid money.

Any Club or person who donates $500 within a year is entitled to receive a Charles J. DeAngelus Fellowship Plaque, dedicated to the founder of the Fund. Please contact the Treasurer, Marlene DeAngelus with the name to be inscribed on the plaque and when the plaque will be presented.

The award-winning laboratory and informal gathering spaces in the newly opened Albert Sherman Center at UMass Medical School are designed to bring together the best minds in biomedical research and clinical treatment to work collaboratively from discovery to the development of new therapies. The Sherman Center is home to the Advanced Therapeutics Cluster:

- The Gene Therapy Center
- The RNA Therapeutics Institute
- The Neurotherapeutics Institute
- Programs in Systems Biology and Bioinformatics & Integrative Biology
- Departments of Pathology
- Microbiology and Physiological Systems and Quantitative Health Sciences
It is extremely important to file a Personnel Update of Club Officers Form (PU 101) with Lions Clubs International each year. This ensures good communication between the clubs of District 33Y and LCI. You may report new officers using MyLCI Website or by mailing a printed form to International Headquarters (deadline May 15th).

Information requested on the PU 101 Form includes:

- Club Identification Number
- Club Number
- Name of Club
- District
- Meeting Information
- Language
- Incoming Officer Information
  (Name, Address, Membership Number, Phone Number(s), Email Address, and Name of Spouse or Partner)

Other information to include:

- Club Charter Date and Club Mailing Address
- Club Website

Mail printed form to:

Lions Clubs International
Member Service Center
300 West 22nd Street
Oak Brook, IL 60523-8842

Submit via MyLCI Website: http://mylc.lionsclubs.org

Congratulations to our own District Governor Linda Carr

The Southwick Lions Club sends BEST WISHES for a GREAT YEAR!!
Centennial Service Challenge

For nearly 100 years, Lions have served their communities with dedication and contributed to the development and well-being of millions of people around the world. As we look toward our centennial celebration, Lions are encouraged to help reach the Centennial Service Challenge goal of serving 100 million people by June 2018 by planning projects through the following Centennial Service Challenge Campaigns:

**Engaging Our Youth**
Invite Leos and Youth in your area to help organize and participate in a service project. Allowing youth to develop and lead a service project enables them to learn skills while emphasizing the role of service.

**Sharing the Vision**
Plan vision health projects and work with the visually impaired.

**Relieving the Hunger**
With the downturn in the global economy, many hunger relief organizations are finding it difficult to keep up with the demand. Help alleviate hunger by planning events around the end and beginning of the calendar year to collect and distribute food.

**Protecting Our Environment**
Implement projects that improve and protect the environment. Plan a community “Earth Day” event.

Visit the Centennial website at Lions100.org to gather project ideas and learn how you can join the celebration. Start planning your Centennial Service project today!!!!!
Youth Speech Contest

Each year in District 33Y, Massachusetts Lions sponsor a youth speech competition that begins at the school level with local Club support and progresses through the zone, region, district and statewide level. District competition will be held at the Mid-Winter Conference in January. The final competition will take place at the annual MD33 Convention in the spring. The competition is open to students in grades 9-12 provided they are sponsored by a Massachusetts Lion, Lioness or Leo Club. Length of speech is 5 to 8 minutes.

The topic for 2016-2017 is:

“Being Politically Correct: Is It Taken Too Far?”

For all forms and guidelines, visit www.lionsyouthspeech.org.

Call PDG Pam Hodgkins (MD33 Rep & 33Y Chairperson) at 413-834-2011 for more information and to sign up to participate.

Lions Clubs International Peace Poster Competition

Each year, Lions clubs around the world sponsor the Lions Clubs International Peace Poster Contest in local schools and youth groups. This contest encourages young people worldwide to artistically express their visions of Peace.

Youth who are age 11, 12, or 13 on November 15 are eligible to participate.

The theme for the 2016-2017 Peace Poster Contest is A Celebration of Peace. More information can be found on the Lions Club International website www.lionsclubs.org. Peace Poster Kits are available at the Lions Store or by calling Lion Kathleen Carlson at 413-569-5641
The Lions Environmental Photo Contest provides a way for Lions to portray, through an original photo, their pride and commitment to improving, protecting and preserving the environment. Every Lion from a club in good standing can enter a photograph of his or her immediate surroundings into the club-level Lions Environmental Photo Contest.

*Deceased
In nearly 100 years of use, the Lions logo has changed and evolved. But it has always stood for the same idea:

*We Serve*

1918: Note the visual pun in this early logo: a Lion and a club.

1920: This rendering with monogrammed L and back-to-back lions is the basis for the logo today.

The current Lions logo (*without the red tongue and gray shadowing*) should be used in print and in electronic format anywhere online.

New Mountains to Climb
As we commence a year of celebrating 100 years of community service – honoring our past and embracing our present – it is our future that we must plan and begin to forge. Our future is bright. But speaking metaphorically, if we are to ascend the next mountain, we must lay out a trail in front of us; we must mark our trail for future generations of Lions who follow, and preserve our tradition of service.

Governor Linda Carr

A Great Year

2016 - 2017
In the summer of 1950, E. Daniel Johnson, District Governor of District N, had a visit from a friend on his farm in Lyndeboro, NH. This friend brought his four-year-old blind son, a so-called ‘blind baby’ or ‘retrolental fibroplasia’ baby, with him. The cause was unknown; the child was apparently blind at birth. In talking of this with Harry Hartford, then District Governor of District 33K, Lion Johnson found that Harry had a friend, Al Hirshberg, who had a blind baby that was born on the day that Al landed in France, D-Day 1944.

In October of 1950, they and a small group of Lions had lunch with Al Hirshberg (Sports Writer for the Boston Post and Chairman of the Foundation for Eye Research) and Dr. Edwin B. Dunphy (Professor, Harvard Medical School and Chief of Staff, Massachusetts Eye and Ear Infirmary). This small assembly of Lions was told of the existence of a new disease, first discovered in Massachusetts in 1941 by a Dr. Terry. Physicians knew this disease as ‘Retrolental Fibroplasia’. This disease was not only baffling, but also discouraging because no funds were available to attempt to discover its cause. The Lions of Massachusetts were asked to try to do something to help the medical profession in raising funds to combat this terrible disease which was afflicting four out of five premature babies weighing four pounds or less.

This story was so amazing that the Lions asked Al to write a pamphlet, telling this story that they could carry to the Lions Clubs throughout Massachusetts. Dr. Dunphy edited this pamphlet and Lion Johnson had several thousand copies printed and mailed to all Lions in Massachusetts and to all District Governors in the United States and Canada at his own expense. In 1952 Eye Research was voted to be the official project of the Massachusetts Multiple District 33 Lions.
The Lions of Massachusetts raised $5,000 and research discovered that there was too much oxygen in the incubators of these premature babies. A $.50 valve was used to correct the problem.

In the past 60 years, MLERF has awarded grants exceeding $29,000,000.

From its beginning District 33Y has raised:

$3,145,530.76

Thank you to all the clubs of 33Y. During the 2015 - 2016 Lion year, the clubs raised $88,779.50 to support the mission and grants of the Massachusetts Lions Eye Research Fund, Inc.

NOTES: Bold print denotes expected attendance by all Directors
World Sight Day is celebrated worldwide on October 13.

Lions around the world will mark World Sight Day with a variety of activities during the entire month of October.

Since 1998, Lions World Sight Day, held annually in October, has focused attention on eliminating preventable blindness and improving sight. On World Sight Day, Lions clubs around the world conduct special sight-related projects including: Collecting eyeglasses - Conducting Vision and diabetes screenings - Planning educational programs to inform their communities about the importance of eye health – and diseases such as diabetes that can impair sight.

New England College of Optometry
commends your on-going
commitment to vision care.
The oldest existing Club in New England is the Bridgeport CT Club, organized February 28, 1921. The first Lions Club in Massachusetts was organized in Boston on December 31, 1920, but cancelled in 1942. The second Club was in Springfield on May 16, 1922 with 50 Charter members. Worcester (Host) remains the oldest active Club and celebrated its 80th anniversary on July 13, 2006. Later in 1922, Clubs were organized in Pittsfield, Holyoke and Lynn. At that time, all of New England was considered a part of District 23 and included Connecticut and Rhode Island.

In 1923, New England formed District 33, which contained seven Clubs in Massachusetts, one in Maine, and none in Vermont or New Hampshire. The membership of eight Clubs was 422. In 1928, Maine became separated from the other states in District 33 and became District 41. In 1939-40, District 33 became Multiple District 33 composed of Sub-Districts 33-A, 33-B, 33-C and 33-D with 83 Clubs and 2,619 members. The Clubs in “D” were located in New Hampshire or Vermont, whereas the Clubs in A, B and C were in Massachusetts. At the 1945 District Convention, Sub-District 33-D became separated from Multiple District 33 and became District 44.

At the 1949 convention, held in Magnolia, Massachusetts, June 17-19, a resolution proposing the division of District 33 into five Sub-Districts, to be known as 33 Y-A-N-K-S was adopted.

In 1949, western Massachusetts became 33Y. District 33Y was the first District to have its own Mid-Winter Conference, one year earlier than the other Districts of Massachusetts.

PROTOCOL FOR OPENING A LIONS MEETING

One Verse of America

Salute to the Flag

Invocation

Lions Toast:
    Not above you,
    Not beneath you,
    But with you.

Thought of the Day

MD33 Lioness Toast:*  
    To all Lioness,
    dedicated to Faith, Hope and Charity,
    Faith in our Community,
    Hope in our Future,
    And Charity towards all.

* If Lioness are present, a Six-Point opening is used.
Invocations

Dear Heavenly Father,
Grant us strength and courage as we seek to serve mankind;
strengthen our foundation of international goodwill.
Continually remind us that we are here for the betterment of
others, and, in so doing, sustain us in sincerity and purpose.
Help us all work to be successful in our obligations and in our
responsibility to Lionism.

Dear Heavenly Father,
We thank thee for the opportunity to pledge our service to Thee,
to our nation, to our fellow Lions, and to those who need our
assistance.
Help us continue to make a difference in our communities and
continue with our dedication to others.

Oh Heavenly Father,
We thank Thee for food, and remember the hungry.
We thank Thee for health, and remember the sick.
We thank Thee for friends, and remember the friendless.
We thank Thee for freedom, and remember the enslaved.
May these remembrances stir us to service,
That these gifts to us may be used for others.

Where Lions meet be present Lord
Weld all our hearts in one accord,
To do Thy will, Lord, make us strong
To aid the weak and right the wrong.

We give thanks for this day,
Bless our food, our work, our play.
Provide us the strength to continue to serve others
In the ways of Lionism.
There are two ways of spreading light: to be the candle or the mirror that reflects it.

Meeting Courtesy Tips

The Club should have a flag, a gong, a gavel, and other necessary paraphernalia.

The Lion Tamer should have these articles in their proper places at least 20 minutes prior to the beginning of the meeting.

The President should start the meeting on time and follow the procedure recommended by Lions International to open the meeting and to maintain decorum during the meeting. Programs should be interesting and informative.

If a Cabinet Member is attending your meeting, your greeter should acknowledge their presence and properly introduce him/her to the members.

The President of the club should ask the guest if they would like to make a few remarks concerning Lionism at the appropriate time.

If you invite the District Governor to a club function, invite the VDG’s or Cabinet Secretary-Treasurer. Be sure to include the date, time and place the event is to be held. Explain the duties you would like the Governor to perform.

If the spouse of the District Governor is to attend, include the spouse of the VDG’s or Cabinet Secretary-Treasurer.

Please do not engage a speaker or have a program the date of the Governor’s official visitation.

Always acknowledge visiting Lions and guests.
The following is the official protocol policy of The International Association of Lions Clubs.
Only the principal speaker is required to acknowledge all dignitaries present.

The “Borrowing” Game

The game of “borrowing” club equipment is a long-standing tradition to encourage inter-club visits and have a little fun. However, there are a few sometimes forgotten ground rules that go with this game.

The game starts when the meeting is called to order and ends when the meeting is officially adjourned.

Limit your taking to the gong, gavel or tail twister’s bank. Very important: THE BANNER IS OFF-LIMITS. It is just too easily damaged.

Cabinet members and Lions who are part of the evening’s agenda are not allowed to partake in the Borrowing Game.

Special occasions such as zone or advisory meetings, or any public meetings and social functions, are off-limits.

When item(s) are “borrowed”, the “borrowing” club must notify the visited club within forty-eight hours as to what item(s) were taken. The “borrowing” club also notifies the visited club as to when their club meets again, so the visited club may retrieve the item(s) for a small donation to a Lions’ charity.

Above all, act in good taste, have fun and enjoy the merits of The “Borrowing” Game.
Massachusetts Colors and Uniform

The colors of this Association and each chartered club shall be purple and gold.

The uniform for the State of Massachusetts shall consist of a burgundy jacket, black pants or skirt (white shall be used June 1 through August 31), white dress shirt and a black tie. A tri-cornered hat with gold trim shall be added for parades.

A short-sleeved official Massachusetts Lions cranberry polo shirt can be substituted for the jacket in warm weather at the Governors’ discretion.

**MEMBERSHIP CLASSIFICATIONS**

**Active:** A member entitled to all rights and privileges and subject to all obligations which membership in a Lions Club confers or implies. Without limiting such rights and obligations, such rights shall include eligibility to seek, if otherwise qualified, any office in the Club, District, or Association and the right to vote on all matters requiring a vote of the membership; and such obligations shall include regular attendance, prompt payment of dues, participation in Club activities, and conduct reflecting a favorable image of the Lions Club in the community.

**Life Member:** Any member of the Club who has maintained continuous membership as a Lion for 20 or more years and has rendered outstanding service to the Club, the community, or the Association; or any member of the Club who has maintained such continuous Active membership for 15 or more years, at least 70 years of age; or any member of a Club who has maintained such continuous Active membership for 20 or more years and has served as an Officer of this Association may be granted Life Membership in the Club upon:

1. Recommendation of the Club to the Association,
2. Payment to the Association of $650 by the Club in lieu of all future dues to the Association, and
3. Approval of the International Board of Directors

A life member shall have all the privileges of Active membership so long as he/she fulfills all obligations thereof

**Member-At-Large:** A member of the club who has moved from the community and who, because of health or legitimate reason, is unable to regularly attend Club meetings and desires to retain membership in the Club, and upon whom the Board of Directors of the Club desires to confer this status. A Member-at-large shall not be eligible to hold office or vote in club, District, State or International meetings or Conventions.
**Privileged Members**: A member of the Club who has been a Lion 15 or more years, who, because of illness, infirmities, advanced age or other legitimate reason, as determined by the Board of Directors of the Club, must relinquish Active status. He/she shall have the right to vote and be entitled to all other privileges of membership except the right to hold Club, District, or International office. Privileged Members pay Club, District and International dues.

**Honorary**: An individual, not a member of the Lions Club, upon whom the Club desires to confer special distinction. The Club shall pay entrance fees and International and District dues on such members, who may attend meetings but shall not be entitled to any privileges of Active membership.

**Affiliate**: A quality member who is not able to fully participate as an Active member of the club, but desires to support the club and its community service and be affiliated with the club. This status may be conferred by the club’s Board of Directors. An affiliate member may be eligible to vote on club matters, but not represent the club as a delegate at District, Multiple District or International Conventions. He/she may not hold any club or District office and must pay dues as the club may charge.

**Associate**: Associate membership is available to members holding Active Membership in one Lions Club but by virtue of maintaining a residence or employment in another community, have an interest in becoming associated with another Lions Club. The status is conferred by the invitation of the Board of Directors. The conferring Board is obligated to review the associate member status annually. International and District dues are not assessed on the associate member, but are assessed on the Club dues as it deems appropriate. The conferring Club does not report an Associate Member on its Monthly Membership Report (MMR). The Associate Member would not be eligible to hold any office, but may be eligible to vote on local club matters, when present.
**Student Member:** Members who are enrolled in school and are under the age of 30 are eligible for the student membership benefit. Student members pay only a $10 initiation fee and ½ of the annual membership dues to LCI. There is no reduction in district and multiple district dues and clubs can determine their policy with regard to club dues. Student status has to be certified each year. Student status is recorded as part of the member profile filed through the WMMR. College Campus Clubs have the same fee structure but are required to file monthly with LCI.

**Family Membership:** Lions living in the same residence may be eligible for a Family Unit Membership. Up to four individuals living at the same address can be included in the family unit. The first family member who joins Lions would pay the full initiation or charter fee and the full international dues. Subsequent family members who become Lions would pay a $25 initiation or charter fee and would pay only ½ of the international dues. The club can determine whether there would be a reduction in club dues. There is no reduction in the district or multiple district dues. The family unit receives only one copy of the Lion Magazine.

*Just imagine…* if every Lion (1.4 million) asked one person (family or friend) to join their club, how much more Lions could do and how many more people they could serve!

TAX INFORMATION

Lions clubs and districts are required to file tax forms in accordance with the United States tax laws. Information and filing requirements and instructions are available on the Lions Clubs International website. You will find detailed information concerning the requirements for filing form 990, 990-N (e-postcard), and 990 EZ. You will also find guidelines for disclosures regarding non-deductability of contributions or gifts to Lions districts and clubs and a summary of provisions concerning possible tax liability for Unrelated Business Income (UBIT). For additional information, go to www.irs.gov.

The current law requires tax exempt organizations with gross receipts of $50,000 or more must file the 990 or 990 EZ. All clubs must file a 990-N (e-postcard) even if gross receipts are less than $50,000. The tax law changes were implemented in 2007 during pension reform. If a club loses tax exempt status, there are fees incurred and to be paid before a club can regain tax exempt status. DEADLINE FOR FILING IS NOVEMBER 15TH.

“It is not given to a great many individuals in the ordinary conduct of their lives to exercise leadership within a group, yet every member of a Lions club has this opportunity.”

Melvin Jones
Massachusetts Eye and Ear thanks the Massachusetts Lions District 33-Y for its years of generous support of eye research.

Commemorating a partnership of 70 years, Lions Day with the United Nations (LDUN) gives Lions the opportunity to learn and discover how the UN and Lions together can continue to help those in need on a global scale.

Held at the UN Headquarters in New York City, approximately 450 Lions, UN diplomats and other key representatives discuss targeted humanitarian challenges in engaging panel discussions; celebrate the year’s winner of the International Peace Poster Contest and more.

Dates and registration information for the 2017 LDUN coming soon on www.lionsclubs.org.
