Beginning in 1917 - Melvin Jones, a 38-year-old Chicago business leader, asked a simple and world-changing question – what if people put their talents to work improving their communities? 100 years later, Lions Clubs International is the world's largest service club organization, with 1.4 million members in more than 46,000 clubs and countless stories of Lions acting on the same simple idea: let’s improve our communities.

1920: Going International - Just three years after our founding, Lions became international when we established the first club in Canada. Mexico followed in 1927. In the 1950s and 1960s international growth accelerated, with new clubs in Europe, Asia and Africa.

1925: Eradicating Blindness - Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become "knights of the blind in the crusade against darkness." Since then, we have worked tirelessly to aid the blind and visually impaired.

1945: Uniting Nations - The ideal of an international organization is exemplified by our enduring relationship with the United Nations. We were one of the first nongovernmental organizations invited to assist in the drafting of the United Nations Charter and have supported the work of the UN ever since.

1957: Organizing Youth Programs - In the late 1950s, we created the Leo Program to provide the youth of the world with an opportunity for personal development through volunteering. There are approximately 144,000 Leos and 5,700 Leo clubs in more than 140 countries worldwide.

1968: Establishing Our Foundation - Lions Clubs International Foundation assists Lions with global and large-scale local humanitarian projects. Through our Foundation, Lions meet the needs of their local and global communities.

1990: Launching SightFirst - Through SightFirst, Lions are restoring sight and preventing blindness on a global scale. Launched in 1990, Lions have raised more than $346 million for this initiative. SightFirst targets the major causes of blindness: cataract, trachoma, river blindness, childhood blindness, diabetic retinopathy and glaucoma.

Today: Extending Our Reach - Lions Clubs International extends our mission of service every day – in local communities, in all corners of the globe. The needs are great and our services broad, including sight, health, youth, elderly, the environment and disaster relief. Our international network has grown to include 210 countries and geographic areas.

Greetings to all in District 33Y,

“I finally found myself when I lost myself in the service of others.” Mahatma Gandhi

Mahatma Gandhi must have been talking about you since you do this all the time. Our motto WE SERVE has been our goal for the first hundred years of Lions. As we enter the 2nd century of Lionism, it will continue to be our main focus. Our International president, Naresh Aggarwal, stated “Our single-minded purpose is and has been to provide service to those in need.” You will hear about the power of WE this year. WE can do so much together. I would like the opportunity to work with you while you serve your communities. Please let me know when you are doing projects. I’d love to help.

One of my goals is to continue to work with IPDG Linda to bring more pediatric eye care to Western MA. We are making a difference in the lives of many of our young children by Spot screening in schools, day cares and head starts. We want to do more by finding ways to get more pediatric eye care professionals in this area.

One of our goals has been to increase membership. That will not change. Many hands make light work. IPDG Linda has set the bar very high in the area of membership. Congratulations to Linda for the 2 new clubs. With your help, I hope we can continue to add members. One statistic is that for every new member 70 more people are served. Let’s keep increasing the number of people we serve.

My mottos for the year is
Volunteer and make a difference
100 Years ago Melvin Jones challenged the club members to go out and serve in the community. One of my goals is to encourage each club to add one new service project to your year. I’m not saying not to do fundraisers but would really like to see us go into the community and serve. We don’t want to remain the best kept secret. Let’s be very visible this year. Perhaps volunteer in a soup kitchen, in a library, help distribute food in your community, serve the seniors at their picnic, or serve a free turkey dinner to members of your community - just a few of the things that are already going on. Please let me know what some of the ways you serve your community are. Perhaps we will be inspired to try one of them.

Remember: LCI focus is Your club Your way. Let’s take this one step father Your district Your Way --This is your year-- Dream big. Let me know if I can be part of this.

I look forward to serving with all of you this year.

Sharyn
FIRST VICE DISTRICT GOVERNOR
Stephan Karch

District 33Y Lions Clubs,

This year as First Vice District Governor, I am looking forward to meeting all of you. I am going to help District Governor Sharyn in her endeavors through the District. If you have any questions, please feel free to ask.

Thanks,

Stephan J. Karch
SECOND VICE DISTRICT GOVERNOR  
Arthur McConnell

“I see a need and I volunteer”

Whether it is a need or the love of our Lions Family, I find my 40 years in Lions as pivotal part of my life. Certainly, the sentiments of all of us for the crucial and essential roles we do in both work and play.

Recently receiving the Lion of the Year award, I found looking into the audience a sense that any one seated deserved also to be recognized as Lions of the Year.

As a Past Zone Chair, ones obligated to write for the Mid-Winter Convention some words of the clubs we visited and their condition and prosperity. But I chose to promote volunteering and getting involved and to promote strengthening our present clubs. Adding two new clubs this past year, Westfield and Chicopee, was a real shot in the arm and seeing how one day gathered new members should be implemented to all our clubs. I will push for all to say we are no longer the best kept secret.

I hope I can be as good as all my predecessors.

Arthur McConnell
Dear Members of the 33-Y Lions Family:

It is with enthusiasm that I accepted to be DG Sharyn's CST. I did so with the same spirit as when I accepted to be DG Hal Martin's CST for 1997-1998. Exactly 20 years ago at the state convention, I approached that task, eager to serve our District 33-Y. And many of you remember me as your 2001-2002 District Governor, and for the past 26 years, as your Youth Speech Committee member and then as district and state chairperson. Thus, I will bring my skills and 30 years' worth of Lions work experience to assist DG Sharyn as she embarks on her journey as your District Governor.

I look forward to working with each of you this year, renewing friendships in clubs I have not visited in ages, and assisting with the piles of paperwork we all deal with (!) in the spirit of Lionism. Most importantly, enjoy your year working with this team - DG Sharyn and VDG Steve – as we begin the next 100 years of service to our communities.

Yours In Lionism,

Pam Hodgkins
Dear Lions,

Welcome to a new year—and a new century! This is a new era of Lionism. One where you are not merely a passenger, but a driver on the road to a stronger, more strategic and effective association.

Together we can change the world. I know this, because I've seen the impact Lions have in communities around the world. But we can do more. Your leadership will be essential to ensuring we become a modern association that's ready to take on the emerging needs of our changing world.

Great leaders inspire through humility, integrity and strength. To do this, we must harness the Power of We, the Power of Action and the Power of Service to position our clubs, districts and association to achieve our LCI Forward goals.

With you beside me, I know we can grow our membership and expand our service impact to 170 million people this year—a huge step toward our LCI Forward goal of serving 200 million per year by 2020.

Thank you for accompanying me on this journey. I know that together we can truly change the world.

Sincerely,
Dr. Naresh Aggarwal
Your International President
LIONS CODE OF ETHICS

**TO SHOW MY FAITH** in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK SUCCESS** and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**WHENEVER A DOUBT ARISES** as to the right of ethics of my position or action toward my fellow man, to resolve such doubt against myself.

**TO HOLD FRIENDSHIP** as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**ALWAYS TO BEAR IN MIND** my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

**TO AID** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE CAREFUL** with my criticism and liberal with my praise; to build up and not destroy.

DISTRICT 33Y EMERGENCY SIGHT & HEARING TREATMENT FUND HISTORY

In 1973 this Foundation was started by then District Governor Charles DeAngelus. The purpose was to help low income people living within District 33Y obtain eyeglasses, hearing aids, or aid in helping with sight or hearing problems that any Club within the District could not financially afford. All money donated to the foundation, with the exception of postage and/or paper supplies, is used in District 33Y to help people who are applying to the fund for assistance.

Since its inception, the Emergency Sight & Hearing Treatment Fund has handled over 1,500 cases and has awarded more than $500,000 in aid money.

Any Club or person who donates $500 within a year is entitled to receive a Charles J. DeAngelus Fellowship Plaque, dedicated to the founder of the Fund. Please contact the Treasurer, Marlene DeAngelus with the name to be inscribed on the plaque and when the plaque will be presented.

Centennial Service Challenge

For 100 years, Lions have served their communities with dedication and contributed to the development and well-being of millions of people around the world. As we look toward our centennial celebration, **Lions are encouraged to help reach the Centennial Service Challenge goal of serving 100 million people by June 2018 by planning projects through the following Centennial Service Challenge Campaigns:**

**Engaging Our Youth**
Invite Leos and Youth in your area to help organize and participate in a service project. Allowing youth to develop and lead a service project enables them to learn skills while emphasizing the role of service.

**Sharing the Vision**
Plan vision health projects and work with the visually impaired.

**Relieving the Hunger**
With the downturn in the global economy, many hunger relief organizations are finding it difficult to keep up with the demand. Help alleviate hunger by planning events around the end and beginning of the calendar year to collect and distribute food.

**Protecting Our Environment**
Implement projects that improve and protect the environment. Plan a community “Earth Day” event.

Visit the Centennial website at Lions100.org to gather project ideas and learn how you can join the celebration. Start planning your Centennial Service project today!!!!!
Youth Speech Contest

Each year in District 33Y, Massachusetts Lions sponsor a youth speech competition that begins at the school level with local Club support and progresses through the zone, region, district and statewide level. District competition will be held at the Mid-Winter Conference in January. The final competition will take place at the annual MD33 Convention in the spring. The competition is open to students in grades 9-12 provided they are sponsored by a Massachusetts Lion, Lioness or Leo Club. Length of speech is 5 to 8 minutes.

The topic for 2017 - 2018 is:

“What is the Impact of Volunteerism?”

For all forms and guidelines, visit www.lionsyouthspeech.org.

Call PDG Pam Hodgkins (MD33 Rep & 33Y Chairperson) at 413-834-2011 for more information and to sign up to participate.

Lions Clubs International Peace Poster Competition

Each year, Lions clubs around the world sponsor the Lions Clubs International Peace Poster Contest in local schools and youth groups. This contest encourages young people worldwide to artistically express their visions of Peace.

Youth who are age 11, 12, or 13 on November 15 are eligible to participate.

The theme for the 2017 - 2018 Peace Poster Contest is The Future of Peace. More information can be found on the Lions Club International website www.lionsclubs.org. Peace Poster Kits are available at the Lions Store or by calling Lion Kathleen Carlson at 413-569-5641.
The Lions Environmental Photo Contest provides a way for Lions to portray, through an original photo, their pride and commitment to improving, protecting and preserving the environment. Every Lion from a club in good standing can enter a photograph of his or her immediate surroundings into the club-level Lions Environmental Photo Contest.

Deadline for entries is January 15, 2018.

*Deceased
In nearly 100 years of use, the Lions logo has changed and evolved. But it has always stood for the same idea:

_We Serve_

**1918:** Note the visual pun in this early logo: a Lion and a club.

**1920:** This rendering with monogrammed L and back-to-back lions is the basis for the logo today.

The current Lions logo (*without the red tongue and gray shadowing*) should be used in print and in electronic format anywhere online.

In the summer of 1950, E. Daniel Johnson, District Governor of District N, had a visit from a friend on his farm in Lyndeboro, NH. This friend brought his four-year-old blind son, a so-called ‘blind baby’ or ‘retrolental fibroplasia’ baby, with him. The cause was unknown; the child was apparently blind at birth. In talking of this with Harry Hartford, then District Governor of District 33K, Lion Johnson found that Harry had a friend, Al Hirshberg, who had a blind baby that was born on the day that Al landed in France, D-Day 1944.

In October of 1950, they and a small group of Lions had lunch with Al Hirshberg (Sports Writer for the Boston Post and Chairman of the Foundation for Eye Research) and Dr. Edwin B. Dunphy (Professor, Harvard Medical School and Chief of Staff, Massachusetts Eye and Ear Infirmary). This small assembly of Lions was told of the existence of a new disease, first discovered in Massachusetts in 1941 by a Dr. Terry. Physicians knew this disease as ‘Retrolental Fibroplasia’. This disease was not only baffling, but also discouraging because no funds were available to attempt to discover its cause. The Lions of Massachusetts were asked to try to do something to help the medical profession in raising funds to combat this terrible disease which was affecting four out of five premature babies weighing four pounds or less.

This story was so amazing that the Lions asked Al to write a pamphlet, telling this story that they could carry to the Lions Clubs throughout Massachusetts. Dr. Dunphy edited this pamphlet and Lion Johnson had several thousand copies printed and mailed to all Lions in Massachusetts and to all District Governors in the United States and Canada at his own expense. In 1952 Eye Research was voted to be the official project of the Massachusetts Multiple District 33 Lions.
The Lions of Massachusetts raised $5,000 and research discovered that there was too much oxygen in the incubators of these premature babies. A $.50 valve was used to correct the problem.

Thank you to all the clubs of 33Y. During the 2015 - 2016 Lion year, the clubs raised $69,837.89 to support the mission and grants of the Massachusetts Lions Eye Research Fund, Inc.

World Sight Day is celebrated worldwide. This year it is on October 12.

Lions around the world will mark World Sight Day with a variety of activities during the entire month of October.

Since 1998, Lions World Sight Day, held annually in October, has focused attention on eliminating preventable blindness and improving sight. On World Sight Day, Lions clubs around the world conduct special sight-related projects including: Collecting eyeglasses - Conducting Vision and diabetes screenings - Planning educational programs to inform their communities about the importance of eye health – and diseases such as diabetes that can impair sight.
History of Lions in New England

The oldest existing Club in New England is the Bridgeport CT Club, organized February 28, 1921. The first Lions Club in Massachusetts was organized in Boston on December 31, 1920, but cancelled in 1942. The second Club was in Springfield on May 16, 1922 with 50 Charter members. Worcester (Host) remains the oldest active Club and celebrated its 80th anniversary on July 13, 2006. Later in 1922, Clubs were organized in Pittsfield, Holyoke and Lynn. At that time, all of New England was considered a part of District 23 and included Connecticut and Rhode Island.

In 1923, New England formed District 33, which contained seven Clubs in Massachusetts, one in Maine, and none in Vermont or New Hampshire. The membership of eight Clubs was 422. In 1928, Maine became separated from the other states in District 33 and became District 41. In 1939-40, District 33 became Multiple District 33 composed of Sub-Districts 33-A, 33-B, 33-C and 33-D with 83 Clubs and 2,619 members. The Clubs in “D” were located in New Hampshire or Vermont, whereas the Clubs in A, B and C were in Massachusetts. At the 1945 District Convention, Sub-District 33-D became separated from Multiple District 33 and became District 44.

At the 1949 convention, held in Magnolia, Massachusetts, June 17-19, a resolution proposing the division of District 33 into five Sub-Districts, to be known as 33 Y-A-N-K-S was adopted.

In 1949, western Massachusetts became 33Y. District 33Y was the first District to have its own Mid-Winter Conference, one year earlier than the other Districts of Massachusetts.

PROTOCOL FOR OPENING A LIONS MEETING

One Verse of America

Salute to the Flag

Invocation

Lions Toast:
Not above you,
Not beneath you,
But with you.

Thought of the Day

MD33 Lioness Toast:*  
To all Lioness,
dedicated to Faith, Hope and Charity,
Faith in our Community,
Hope in our Future,
And Charity towards all.

* If Lioness are present, a Six-Point opening is used.
Dear Heavenly Father,
Grant us strength and courage as we seek to serve mankind; strengthen our foundation of international goodwill.
Continually remind us that we are here for the betterment of others, and, in so doing, sustain us in sincerity and purpose.
Help us all work to be successful in our obligations and in our responsibility to Lionism.

Dear Heavenly Father,
We thank thee for the opportunity to pledge our service to Thee, to our nation, to our fellow Lions, and to those who need our assistance.
Help us continue to make a difference in our communities and continue with our dedication to others.

Oh Heavenly Father,
We thank Thee for food, and remember the hungry.
We thank Thee for health, and remember the sick.
We thank Thee for friends, and remember the friendless.
We thank Thee for freedom, and remember the enslaved.
May these remembrances stir us to service,
That these gifts to us may be used for others.

Where Lions meet be present Lord
Weld all our hearts in one accord,
To do Thy will, Lord, make us strong
To aid the weak and right the wrong.

We give thanks for this day,
Bless our food, our work, our play.
Provide us the strength to continue to serve others
In the ways of Lionism.

The “Borrowing” Game

The game of “borrowing” club equipment is a long-standing tradition to encourage inter-club visits and have a little fun. However, there are a few sometimes forgotten ground rules that go with this game.

The game starts when the meeting is called to order and ends when the meeting is officially adjourned.

Limit your taking to the gong, gavel or tail twister’s bank. **Very important: THE BANNER IS OFF-LIMITS.** It is just too easily damaged.

Cabinet members and Lions who are part of the evening’s agenda are not allowed to partake in the Borrowing Game.

Special occasions such as zone or advisory meetings, or any public meetings and social functions, are off-limits.

When item(s) are “borrowed”, the “borrowing” club must notify the visited club within forty-eight hours as to what item(s) were taken. The “borrowing” club also notifies the visited club as to when their club meets again, so the visited club may retrieve the item(s) for a small donation to a Lions’ charity.

**Above all, act in good taste, have fun and enjoy the merits of The “Borrowing” Game.**
Massachusetts Colors and Uniform

Membership Classifications (continued)

**Privileged Members**: A member of the Club who has been a Lion 15 or more years, who, because of illness, infirmities, advanced age or other legitimate reason, as determined by the Board of Directors of the Club, must relinquish Active status. He/she shall have the right to vote and be entitled to all other privileges of membership except the right to hold Club, District, or International office. Privileged Members pay Club, District and International dues.

**Honorary**: An individual, not a member of the Lions Club, upon whom the Club desires to confer special distinction. The Club shall pay entrance fees and International and District dues on such members, who may attend meetings but shall not be entitled to any privileges of Active membership.

**Affiliate**: A quality member who is not able to fully participate as an Active member of the club, but desires to support the club and its community service and be affiliated with the club. International and District dues are not assessed on the associate member, but are assessed on the Club dues as it deems appropriate. The conferring Club does not report an Associate Member on its Monthly Membership Report (MMR). The Associate Member would not be eligible to hold any office, but may be eligible to vote on local club matters, when present.
**Membership Classifications** (continued)

**Student Member:** Members who are enrolled in school and are under the age of 30 are eligible for the student membership benefit. Student members pay only a $10 initiation fee and ½ of the annual membership dues to LCI. There is no reduction in district and multiple district dues and clubs can determine their policy with regard to club dues. Student status has to be certified each year. Student status is recorded as part of the member profile filed through the WMMR. College Campus Clubs have the same the same fee structure but are required to file monthly with LCI.

**Family Membership:** Lions living in the same residence may be eligible for a Family Unit Membership. Up to four individuals living at the same address can be included in the family unit. The first family member who joins Lions would pay the full initiation or charter fee and the full international dues. Subsequent family members who become Lions would pay a $25 initiation or charter fee and would pay only ½ of the international dues. The club can determine whether there would be a reduction in club dues. There is no reduction in the district or multiple district dues. The family unit receives only one copy of the Lion Magazine.

*Just imagine*…if every Lion (1.4 million) asked one person (family or friend) to join their club, how much more Lions could do and how many more people they could serve!
TAX INFORMATION

Lions clubs and districts are required to file tax forms in accordance with the United States tax laws. Information and filing requirements and instructions are available on the Lions Clubs International website. You will find detailed information concerning the requirements for filing form 990, 990-N (e-postcard), and 990 EZ. You will also find guidelines for disclosures regarding non-deductability of contributions or gifts to Lions districts and clubs and a summary of provisions concerning possible tax liability for Unrelated Business Income (UBIT). For additional information, go to www.irs.gov.

The current law requires tax exempt organizations with gross receipts of $50,000 or more must file the 990 or 990 EZ. All clubs must file a 990-N (e-postcard) even if gross receipts are less than $50,000. The tax law changes were implemented in 2007 during pension reform. If a club loses tax exempt status, there are fees incurred and to be paid before a club can regain tax exempt status. DEADLINE FOR FILING IS NOVEMBER 15TH.

“It is not given to a great many individuals in the ordinary conduct of their lives to exercise leadership within a group, yet every member of a Lions club has this opportunity.”
